SECTION I

**VESTING OF THE ACP UNDERTAKING (AS DEFINED HEREINAFTER) OF
JUBILANT INDUSTRIES LIMITED WITH JUBILANT AGRI AND CONSUMER
PRODUCTS LIMITED BY WAY OF SLUMP SALE**

PART A

WHEREAS:

- A. Jubilant Industries Limited ("Transferor Company") is an existing public listed company incorporated under the Act (as defined hereinafter) on February 23, 2007 and has its registered office at Bhartiagram, Gajraula, District Jyotiba Phoolay Nagar - 244 223, Uttar Pradesh. The shares of the Transferor Company are listed on the Bombay Stock Exchange Limited and the National Stock Exchange of India Limited. The Transferor Company is engaged in the manufacturing and sale of agri and consumer products business, industrial products business ("IP Business") and other businesses such as the manufacturing of Indian-made foreign liquor.
- B. Jubilant Agri and Consumer Products Limited ("Transferee Company") is an existing company incorporated under the Act (as defined hereinafter) on August 21, 2008 and has its registered office at Plot No 1A, Sector 16A, Institutional Area, Noida - 201 301, Uttar Pradesh and is a wholly owned subsidiary of the Transferor Company. The Transferee Company is authorised by its constitutional documents to engage in the manufacture and sale of agri and consumer products business (including in a mall or hyper market format), whole sale cash and carry trade business and the leasing business.
- C. In terms of Section 1 of this Scheme of Arrangement ("Scheme"), it is now proposed, *inter alia*, to vest the ACP Undertaking (as defined hereinafter) of the Transferor Company with the Transferee Company, by way of a Slump Sale, for a lump sum consideration (as discussed in Part C of Section I this Scheme), pursuant to the relevant provisions of the Act (as defined hereinafter) and other applicable laws.

Rationale:

The Transferor Company is currently engaged in diverse businesses. The management of the Transferor Company believes that the IP Business is specialised in nature and requires dedicated management with specialised skills. The management of the Transferor Company intends to focus on the IP Business to enable it to tap into the huge growth potential in the relevant business to business market. The ACP Undertaking (as defined hereinafter) constitutes business pertaining to manufacturing and sale of agri

96

products, consisting of a) single super phosphate, and b) agro chemical for crop products, and manufacturing and sale of consumer products, which requires a different management focus and different synergies from that of the IP Business.

Hence, with a view to achieve greater management focus on both the IP Business and the business pertaining to manufacturing and sale of agri and consumer products, the management of the Transferor Company proposes to vest the ACP Undertaking (as defined hereinafter) by way of Stump Sale with the Transferee Company, its wholly owned subsidiary, for lump sum consideration. Vesting of the ACP Undertaking (as defined hereinafter) with the Transferee Company will enable the Transferor Company to have separate management focus on both businesses.

The management of the Transferee Company intends to focus on the manufacturing and sale of agri and consumer products business (including in a mall or hyper market format), whole sale cash and carry trade business and the leasing business. In furtherance of this objective, the management of Transferee Company intends to acquire the ACP Undertaking (as defined hereinafter) of the Transferor Company by way of a Stump Sale for a lump sum consideration. Consolidation of the ACP Undertaking (as defined hereinafter) of the Transferor Company with the Transferee Company would provide greater management focus on tapping the growth potential in the manufacturing and sale of agri and consumer products business (including in a mall or hyper market format), whole sale cash and carry trade business and the leasing business.

Such vesting of the ACP Undertaking (as defined hereinafter) of the Transferor Company for lump sum consideration with the Transferee Company, by way of Stump Sale, is in the interest of the shareholders, creditors and employees of each of the Transferor Company and the Transferee Company, as it would result in enhancement of shareholder value, operational efficiencies and greater focus and would enable the management of each of the Transferor Company and the Transferee Company to vigorously pursue revenue growth and expansion opportunities.
